UrbanToronto Goes Inside the Sierra Group's 68 Main Street Condos in Markham

November 5, 2010

Urban Toronto's coverage of 68 Main Street by Sierra Group continues with an overview of the condominium amenities and a look inside the model suite in the sales centre.

As part of Sierra's strategy for LEED® certification, 68 Main Street will feature green roofs, with landscaped, Japanese-inspired gardens, water elements, seating areas, and gourmet gas barbecue stations.

68 Main Street also will offer a number of auto-share vehicles in the building for residents to use by the hour or by the day.

Through the private courtyard-piazza...

...and into the marble and mahogany lobby with concierge service

The building will include an extensive fitness centre and a combination media-party room for large gatherings with state-of-the-art entertainment technology.

68 Main Street contains 143 suites in a variety of layouts – one-bedroom, one-bedroom + den, two-bedroom, two-bedroom + den and three-bedroom – and two series of finishes, the Residential Series and Signature Series. Prices range from the mid-\$200,000s to over \$1 million.

The 958 square-foot, two-bedroom + den model suite showcases the condominium's high-level of standard finishes, such as marble and granite counters, engineered hardwood floors, and 5 1/4 inch baseboards.

68 Main Street Condominiums in Markham Village is the new face of development in the GTA, as set out in Ontario's Places to Grow, promising a more urban, integrated, and sustainable lifestyle for residents. The Presentation Centre is located on the west side of Highway 48/Main Street in Markham Village, north of Highway 7. For more information, contact 905-305-0822 or visit www.68mainstreet.ca.
