

Sierra 68 Main St 68 Main Opens in Incredible Markham Locale

November 19, 2010

[68 Main Street Condominiums](#) in Markham Village offers an irresistible opportunity to live in surroundings that are as convenient as they are charming. From this exquisite and exclusive condominium, residents will be able to walk to an astounding array of amenities to run everyday errands. Literally steps away, specialty shops, restaurants, pubs and modern conveniences, many located in buildings from the 1800s, line interlocking brick sidewalks with gaslight lamps.

The privileged few who live here will be able to stroll out the front door to do a little shopping, see a show or meet a friend at a nearby café. This beautiful stretch of

Highway 48 provides a fun setting for many festivals and events held throughout the year, such as the Markham Village Farmers' Market, Markham Village Music Festival in June, and the Santa Fest and Festival of Lights at holiday time. The GO Station is a five-minute walk, which means [68 Main](#) residents can be in downtown Toronto in only half an hour. Within a few minutes' drive, residents can also access Markham Village Community Centre, Rouge Valley Park, Mount Joy Community Centre, and Markham Stouffville Hospital.

[68 Main](#) is an integral part of the revitalization of this beautiful Main Street. This modern, cutting-edge building is carefully designed to complement the area, with a brick-and-stone exterior. The striking façade will extend only four storeys and then step back to accommodate spacious terraces and another two storeys.

A landscaped rooftop garden provides a wonderful setting for relaxing and entertaining amid views of picturesque

Main Street. This serene terrace will feature Japanese-inspired gardens amid manicured grounds with interlocking stones, lapping waters and gourmet gas barbecue stations. On the ground level, residents will have easy access to retail stores, a private piazza-style Old World courtyard with a cobblestone walkway and pergola, and an outdoor cafe. The courtyard features a cobblestone walkway, elegant pergola, and the perfect spot to gather at this landmark residence.

The lifestyle at [68 Main](#) includes attentive and exclusive concierge service provided from the sophisticated, lavishly appointed lobby, with its marble floors, mahogany walls and focal hearth – an inviting entry that mirrors the refinement in the rest of the building. Count on your concierge to welcome your guests, help you with groceries, pick up your mail and provide numerous other services to make your day-to-day life pleasant.

Active residents will appreciate [68 Main](#)'s Fitness Centre, where they will be able to relax and revitalize in state-of-the-art facilities. They can even access personal

trainer services in this world-class centre. The lavishly decorated Media/Club Room is a combination media-party room appointed with the latest entertainment technology – a superb venue for hosting large gatherings. With sustainability in mind, [68 Main Street](#) is being constructed to LEED® standards. One of the environmentally friendly elements will be auto-share vehicles in the building that can be used for a small fee by the hour or by the day. This cost-effective service is great for the environment and offers suite owners flexibility.
